*Proceedings of the Madras Government, Revenue Department,
2nd August 1876.*

No. 12. Read the following Endorsement of the Acting Sub-Secretary to the Board of Revenue, dated Madras, 24th July 1876, Miscellaneous No. 203 :—

Read the following letter from F. R. H. SHARP, Esq., Acting Collector of Nellore, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 21st July 1876, No. 2,024

I HAVE the honor to forward, for favourable consideration, the accompanying application of Mr. Underwood, Acting Head Assistant Collector, for one month's privilege leave from or after the 15th August.

2. The application contains his declaration of not intending to apply for leave within six months after his return, but not of his intention as to not retiring from the Service. He has been directed to submit a supplemental certificate on this point, but anticipating its purport, I do not propose troubling the Board with it.

3. It will be observed that Mr. Underwood has only had three weeks' holiday since his arrival in India, and he is fully entitled by length of service to the privilege leave now asked for.

4. As to arrangements during his absence, as the Assistant, Mr. Power, has not passed the First Standard, he cannot be put in charge of the Head Assistant's Division; and I presume no other Covenanted Assistant would be sent here for so short a time as a month. But V. Dorasawmy Moodelliar, at present Acting Salt Deputy Collector, will be relieved from his acting appointment on the 17th August by the return of Mr. Plunkett from his three months' privilege leave, and I propose that the former should continue to act as Deputy Collector, with charge of the Head Assistant's Division, during Mr. Underwood's absence.

5. If, however, this is not approved, the Head Assistant's work can be undertaken in part by the General Deputy Collector and by myself, though, as the charges are distributed at present, there is more than ample work for the Collector without the Head Assistant's duties.

6. Though we have not yet had so much rain as could be wished, yet the prospects of the season are sufficiently favourable for me to recommend that there should be no hindrance on this ground to Mr. Underwood having leave, especially as he is just completing a tour in his division, of the condition of which he has sent me from time to time very satisfactory accounts.

ENCLOSURE No. 1.

From W. G. UNDERWOOD, Esq., Acting Head Assistant Collector of Nellore, to F. R. H. SHARP, Esq., Acting Collector of Nellore, dated Udayagiri, 12th July 1876, No. 374.

I HAVE the honor to request that you will apply to Government to grant me one month's privilege leave to commence from or after 15th August.

2. I declare I have no intention of applying for any sort of leave within six months of my return from the leave now asked for.

3. Government refused me leave at the beginning of the hot weather on account of the state of the season. Now I have visited all the villages most liable to want in my division, and I have not found any symptom of distress. The land is all ploughed up, and cultivation is being actively carried on. There is plenty of grain in the villages and work for the labourers. To-day I think there can be no doubt that the monsoon has set in and sowing generally will begin.

*Proceedings of the Madras Government, Revenue Department,
2nd August 1876.*

4. I intend to go as far as Bangalore, and I could return within a day and a-half from thence; of course I could not proceed on leave if the season between now and the middle of next month were to turn out unfavourable. The time for which I have applied for leave is between the monsoons.

5. This is the sixth hot season I have spent on the plains, and I have been in tents a good deal of time. I have only had about three weeks' leave since I arrived in India, and a large part of my accumulation has lapsed.

SUBMITTED, through the Accountant-General, for the favourable consideration of Government.

2. The declaration not being in the form prescribed by Notification of Government of India, dated 30th September 1875, No. 3,692, Financial Department, published in the *Fort St. George Gazette*, dated 12th October 1875, page 1704, the Collector is requested to obtain a revised one from Mr. Underwood, and forward it direct to the Accountant-General.

3. Though the Board are competent to grant the leave applied for, the application is submitted to Government on account of the arrangements suggested by the Collector in paragraph 4 of his letter:

(By Order,)

This appln for a member's leave has been granted.

The Coler must distribute the work of the absent officer as he thinks best. It is presumed that the Asst. Coler will be of some use in his respect, although he cannot, from his junior standing, be entrusted with the entire charge belonging to the Head Asst. The proposal of the Coler for the appt. of a temporary Deputy, during the Head Asst's absence, is, it is observed, inadmissible under the general sanction of the Govt of India to entertain a Deputy where no Asst. is attached to a district.
