*Proceedings of the Madras Government, Revenue Department,
5th August 1876.*

No. 31. Read the following Proceedings of the Board of Revenue, dated 28th July 1876, No. 1,936 :—

Read the following letter from J. H. GARSTIN, Esq., Collector of South Arcot, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Cuddalore, 26th July 1876, No. 322 :—

I HAVE the honor to report, for the information of the Board and Government, that I have just received intimation of a severe outbreak of cholera in the town of Trinomalai. Seventy-five cases are reported to have been admitted for treatment in the dispensary at that station up to the 19th instant, and the disease is stated to be still raging.

2. I enclose a copy of the Hospital Assistant's Report to the Deputy Collector on General Duties. It is not clear during how many days the seventy-five admissions occurred. A Second Hospital Assistant and a good supply of chlorodyne have been sent to the town.

ENCLOSURE No. 1.

Copy of letter from S. ISRAEL, Second-class Hospital Assistant, in charge of Civil Dispensary, Trinomalai, to C. SRI BALIAH, Deputy Collector, General duties, South Arcot, dated 20th July 1876, No. 30.

I beg most respectfully to state to your honor that epidemic cholera is raging terribly in this town. I have admitted seventy-five cases till yesterday, and there is every probability of more admission from the disease. I now request that your honor will be good enough to depute the Hospital Assistant attached to your department to render his assistance to the public of this town and the villages surrounding the town till such time another Assistant arrives from Cuddalore, for whom I have this day written to the Zillah Surgeon. I await your honor's early compliance to the request.
