THE Collector of Bellary having represented that Cash Balance Reports and Treasury Accounts to the Accountant-General cannot be forwarded on the 3rd and 5th of each month, respectively, if the Taluq Treasuries were to be closed on the last day of the month as suggested by the Board and approved by Government in their Order, dated 6th October 1875, No. 1,462, all Collectors were called upon Board's Proceedings, dated 27th January 1876, No. 236. to report the number of days the tappal of each taluq takes to reach the head-quarters, and on what dates it would be possible to despatch the above accounts to the Accountant-General, if the accounts were closed everywhere on the last day of the month. They were further directed not to change the existing practice of closing the accounts in the taluqs a few days before the expiry of the month till further orders.

2. From the replies received from the Collectors recorded above, it appears that it will not be possible to despatch the accounts on the prescribed dates, if the accounts are to be closed throughout on the last day of the month. The subjoined table shows the number of days the tappal of the most distant taluqs in each district takes to reach the Collectors' headquarters, and the dates on which Col-
