Pay and Allowances.

Read the following letter :—

No. 220. From Colonel H. K. BURNE, Secretary to the Government of India, Military Department, to the Controller of Military Accounts; dated Fort William, 4th January 1876, No. 21. (*Pay and Allowances.*)

I am directed to acquaint you that, a question having arisen as to the pay to be drawn during six months' special leave in India on private affairs in the case of a military officer who had previously applied to resign his civil appointment, but was not permitted to do so because no military employment was available for him, the Government of India in the Financial Department has decided that the military pay of the officer's rank shall be specially allowed in such cases, the difference between that sum and the allowance claimable under the Civil Leave Rules being paid in the Military Department.

2. It is, however, to be distinctly understood that no military officer in civil employ can obtain leave or pay under Chapter II. of the Military Furlough Rules of 1868, which applies only to officers in military employ, except in such cases as the foregoing, and then only with the express sanction of the Civil Department under which the officer is so employed.

No. 21-A.

Copy of the above forwarded to the Secretary to Government, Fort St. George, Military Department, for the information of His Grace the Governor in Council.
