*Proceedings of the Madras Government, Revenue Department,
7th August 1876.*

No. 44. Read the following Proceedings of the Board of Revenue, dated 1st August 1876, No. 1,947:—

Read the following letter from A. KRISHNA ROW, Acting Deputy Collector, to J. D. B. GRIBBLE, Esq., Acting Collector of Cuddapah, dated Ramasweram, 30th June 1876, No. 20.

REFERRING to your foot-note No. 355 to Miscellaneous Proceedings of the Board of Revenue, communicating the G.O., No. 1,192, dated 20th May last, I beg to submit, herewith, a statement showing the present actual balance of arrears of canal revenue in the three taluqs of this district, *with reference to the seasons corresponding to those entered in the Examiner's statement* (therein alluded to).

2. It will be observed that the outstandings referred to therein have since been reduced to a low figure, and that the amount of arrears of Rupees 2,746-15-10 still due in Cuddapah Taluq is chiefly owing to the gross negligence of the Chennur Curnams, who were once reported unfavorably to Mr. Horsley, the Collector. Special arrangements have, however, been made subsequently by appointing an intelligent Curnam to conduct the duties connected with the canal irrigation; and strict orders have also been issued to the present Tahsildars to take measures for speedy realization of arrears of canal revenue both of prior and subsequent faslis, and I feel confident that the collections will be more punctual hereafter.

No. 170

SUBMITTED to the Board of Revenue, with copy of the statement, for transmission to Government, with reference to their Order, Public Works Department, No. 1,116, dated 6th May 1876, and No. 1,192, Revenue Department, dated 20th of the same month, communicated with Board's Miscellaneous No. 4,519, dated 1st June 1876.
