Marine Department.

PROCEEDINGS of the MADRAS GOVERNMENT.

READ the following letter from the Acting Coast Attendant Madras, to the Chief Secretary to Government Marine Dept. Fort Saint George, dated 19 April 1876 N° 2639.

I have the honor to acknowledge receipt of the Proceedings of Government, Marine Department N° 1112, dated 11 instant, communicating G.O. in the Revenue Department N° 838, dated 6 idem calling upon me for explanations of the delay in the submission of the returns relating to merchant shipping applied for by the Government of India, and to report that the requirements of that Government have, as far as possible, been already complied with by this Department.

2. The Board of Revenue, in November last requested me, under letter

letter No 566, of the 24 September last, from the Government of India, to furnish them with abstracts of the returns of vessels built and registered, which had been submitted to the Registrar General of Shipping and Seamen in London for the official year 1874-75 and during the last quarter of the current official year. The return in question is usually furnished by this Department on the expiration of every Calendar year, and consequently a copy of the one forwarded for the year 1874 was, on the 10 December last, sent to the Board of Revenue, with the intimation that none were submitted, through this Office for the last quarters of the current year.

3. After the close of the year 1875, the return for that year was, as usual, transmitted to the Registrar General of Shipping and Seamen in London, and a copy of the same was also sent to the Board of Revenue.

Order thereon 27th April 1876 No 152

Communicated to the Revenue Department with reference to para 2 of the Order in that Department dated 5th April 1876 No 838.
