*Proceedings of the Madras Government, Revenue Department,
8th August 1876.*

No. 52. Read the following Proceedings of the Board of Revenue, dated 31st July 1876, Miscellaneous No. 6,454:—

Read the following letter from H. W. BLISS, Esq., Acting Collector of Madura, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Shembaganur, 15th July 1876, No. 261.

Close to the compound at Dindigul, in which stand the Sub-Collector's house and cutcherry (both Government property), there is a small piece of land measuring about three-fourths of an acre, the property of the Southern India Tobacco Company. This is so situated that it completely cuts off the house and cutcherry from all direct access to the nearest road leading to the railway station, and materially increases the distance thereto. Since the railway has been opened for traffic it has, of course, been a source of annoyance not only to the Sub-Collector, but to many others having occasion to resort to his house and cutcherry, that there is no direct road thence to the railway station. If this piece of land were bought, a direct road could easily be opened at inconsiderable expense. The owners offer to sell it for Rs. 50, which I consider a fair price. I request sanction to make the purchase. Funds must be provided from general savings under "Provincial, Civil Buildings."

SUBMITTED for the orders of Government.
