*Proceedings of the Madras Government, Revenue Department,
8th August 1876.*

No. 56. Read the following Proceedings of the Board of Revenue, dated 17th July 1876, No. 1,837 :—

Read the following letter from W. R. ROBERTSON, Esq., M.R.A.C., Superintendent of Government Farms, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 11th July 1876, No. 404.

I HAVE the honor to urge upon the attention of the Board the importance of appointing, without further delay, the Head Master and the Assistant Master whose services are to be employed in the Agricultural College under G.O., No. 1,683, dated 24th of November 1875; both will have much to learn, and it seems to me very desirable that they should begin their preparatory training as soon as possible in order that they may be of some use when the students assemble in October.

THE Board agree with Mr. Robertson that the Masters should be nominated without delay, and request the Director of Public Instruction will assist them by naming two men suited for the post. The G.O., dated 24th November 1875, No. 1,683, has been already communicated to the Director, and he will have learned from that the qualifications required. The Board think that the appointments should be probationary for six months.
