To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

Miscellaneous.

SIR,—In your letter, dated 15th February 1876, No. 904, sanction of the Government of India was intimated for the retention of the Special Deputy Collector engaged in taking up lands for the South Indian Railway till the end of July last. The Collector and the Board of Revenue* now represent that there is yet a small balance of work which will require one month more to finish. As this cannot be performed by the officers of the district in conjunction with their heavy duties, and as the present unfavorable character of the season is sure to tax their full time and attention, it has been resolved to continue the services of the Special Deputy Collector for a month longer. I am accordingly directed to request the confirmation of the Government of India to the Proceedings of this Government marginally noted.

I have the honor to be,

Sir,

Your most obedient servant,

Secretary to Government.
