dated 21st Idem, No: 4515, calling upon me to report as to the Special accuracy of the entries in certain Deaths and Births Returns, I have the honor to inform you, that the Tahsildar himself was directed to verify some of the entries by local Enquiry and I now beg to enclose copy of his report in which he says that the Returns were correctly prepared

2. It is also regretted, however, that the enquiry had also been made so long after the period to which the returns, I would, however, recommend the case for

favorable consideration as the grant of a reward is likely to act as a stimulus and secure more correct Returns.
