PROCEEDINGS of the MADRAS GOVERNMENT

Read the following letter

Proceedings of Government, Revenue
Department dated 25th November 1875
No 1690.

Order thereon 4th January 1876 No 4

For the reasons assigned in
the letters to the Government of India
dated the 5th May 1875 No 992 and
15th November 1875 No 2203, which
will now be communicated to the
Revenue Department, the amount
(Rupees 3000) of compensation paid
for lands taken up for the East
Coast Canal, prior to the intro-
duction of the "decentralization scheme",
cannot be provided from Provincial
funds, as those funds have received
no share of the receipts realized
from the East Coast Canal, which
are

are credited to "Special funds."

2 It appears from the Proceedings of the Board of Revenue dated 21st December 1875, separately disposed of, that a balance of about Rs 43,730 is likely to accrue during the current year, in connection with Cochrane's and Sadras Canal Fund, the Governor in Council resolves, therefore, to sanction the disbursement of the amount (Rs 3000) of compensation paid for land taken up for the East Coast Canal from the Special Funds adverted to. This will reduce the gross estimated receipts of the Canal in 1876-77 from Rs 58,750 to Rs 55,750, and the balance at the close of that year from Rs 4410 to Rs 1410.
