No. 119. Read the following Proceedings of the Board of Revenue, dated 7th August 1876, No. 2,005 :—

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 22nd July 1876, No. 427.

In reply to the Board's Miscellaneous No. 5,934, dated 13th instant, and with reference to Colonel Moberly's No. 1,156* of 30th ultimo, I have the honor to forward copy of a letter from the Salt Deputy Collector, dated 20th instant, No. 540, and to state that I do not think it necessary to trouble the Public Works Department to re-open the Ennore Bar. I would at the same time request, for the reasons stated in paragraph 3, that the Salt Deputy Collector may be allowed to maintain the passage and ridge described in my letter of the 7th June 1876, No. 333, at a cost not exceeding Rs. 10 per day. This course will, while affording an easy outlet for the water to the sea when the Cortelliar is in fresh, also enable sea water to be let into the canal if very high tides occur, and facilitate navigation which is now carried on with great difficulty.

* Sent with Collector's No. 412, 7th July 1876.

2. I note that Colonel Farewell states that the dam at the Hospital Bridge across the Cooum will be shortly removed.

Submitted for the information of Government.

2. The Board see no objection to the Deputy Collector continuing his work at a cost of 10 Rs. a day.
