*Proceedings of the Madras Government, Revenue Department,
14th August 1876.*

No. 121. Read the following Proceedings of the Board of Revenue, dated 5th August 1876, Miscellaneous No. 6,644 :—

Read the following letter from W. WILSON, Esq., on Special Duty, Irrigation Accounts, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Masulipatam, 26th July 1876, No. 16.

I HAVE the honor respectfully to request the Board's reconsideration of the opinion expressed in Proceedings, No. 167, dated 20th January 1876, that a dresser was an unnecessary adjunct to my establishment.

2. I shall be out a great deal during the rains, and shall have to bring together the Curnams of many villages at a time much the same as at a jamabundy. The time of year is not very favorable for camp-life anywhere, and is exceedingly unfavorable in a delta. There may be sickness, and, under present orders, there would be no medical aid to relieve it. I have the honor to request, therefore, that the Board will be pleased to submit, for the favorable consideration of Government, this renewed application for the services of a dresser.

ON reconsideration the Board are of opinion that a dresser is necessary, and resolve to submit the application for the favorable consideration of Government.
