*Proceedings of the Madras Government, Revenue Department,
14th August 1876.*

No. 125. Read the following letter from R. K. PUCKLE, Esq., Director of Revenue Settlement, to the Hon. D. F. CARMICHAEL, Secretary to Government, Revenue Department, Ootacamund, dated Erode, 8th August 1876, No. 2,986/46:—

I HAVE the honor to furnish the information called for in Government Proceedings, No. 883, dated 30th June last. There are but five entire districts settled, *viz.*, Trichinopoly, Salem, Nellore, Kistna, and Godavery, and it is only for these that a comparison can be drawn in the form called for. Portions of seven other districts, *viz.*, Ganjam, Kurnool, Cuddapah, North Arcot, Chingleput, Coimbatore, and Tinnevely, have been taken up for settlement, but the progress of work varies in each, and it will yet be some time before any one of these districts is entirely settled.

2. The date assumed for commencing the comparison between former and present assessment in the entirely settled districts is the year in which the last portion of each of these districts was settled.

The cost of settling these five districts was 24 lakhs of rupees, and the returns up to date are 5½ lakhs of rupees.

3. The cost of incomplete work in seven districts is 28 lakhs of rupees, which (judging from the general tendency to enhance present assessment) is likely to yield a good per-centage, but perhaps not so large a per-centage as in the entirely settled districts which now yield 24 per cent. on the outlay.

Dear Sir

The Director of

To The Secretary to Government
Revenue Department

Sir Oatassamane

I have the honor to
furnish the information called
for in Government Proceedings
No 883 dated 20th June last.

There are but 5 entire districts
settled viz Trichinopoly, Salem,
Mylapore, Kistna, and Godavary
and it is only for these that
a comparison can be drawn
in the form called for in
Portions of 7 other districts viz

And

Arat, Chayk, Khat, Cumbatose
and Sincanting have been
taken up for settlement, but
the progress of work varies in
each, and it will yet be some
time before any one of these dis-
tricts is entirely settled.

2 The date assumed for com-
mencing the comparison between
former and present assessment
in the entirely settled districts is the
year in which the last portion
of each of these districts was settled.

The cost of settling these 5 dis-
tricts was 24 lacs of Rupees, and the
returns up to date are 5 1/2 lacs of
Rupees.

3 The cost of incomplete settle-
ment of districts is 28 lacs of Rupees
which (judging from the general
tendency to enhance present assess-
ment) is likely to yield a good per-
centage but perhaps not so large a
percentage as in the entirely settled districts.

Which

which now yield 24 per cent on
the outlay -

I have the honor to be
Sir

Your most obt. Servant
