*Proceedings of the Madras Government, Public Works Department,
10th April 1876.*

4. In the Educational Fund Budget, received with Financial G.O., No. 91 of 15th January 1876, it is observed that no grant is made for 1876-77 for the Senate House at Madras. A sum of Rupees 34,510 has been provided with reference to G.O., No. 518, dated 16th March 1876, Financial.

5. The amount of the estimate for the Presidency College Laboratory is Rupees 27,814 exclusive of Rupees 6,953 for Public Works Supervision. Rs. 13,500 having been allotted in 1875-76, Rupees 14,314, plus 25 per cent. for Public Works Supervision, or Rupees 17,892 in all is the amount required for 1876-77. The sum has been included in the Provincial Budget.

* G.O., No. 2,050, of 16th October 1875, F.D. 6. In the Marine Budget* Rs. 26,172 have been allotted for Port Fund, Original Works and Repairs, and Rupees 6,543 for Public Works Supervision, making the total grant from Port Funds Rupees 32,715.

7. The execution of the work noted in the margin has been entrusted to the Marine Department. The allotment of Rupees 10,000 which has been made has been included in the Public Works Budget and will be dealt with under the rules for works carried out by "Other Agency."

8. Rupees 8,000 have also been allotted in the Marine Budget received with the above Government Order for erecting a new Light-house at Cocanada. Under G.O., No. 2341 of 23rd November 1875, the actual sum required for this work in 1876-77 is Rupees 6,600, and this amount has been included in the Provincial Budget. The balance will be at the credit of the Port Fund.

9. The grant under Repairs, Civil Buildings, to the Godavery District includes Rupees 523 alluded to in G.O., No. 6, of 2nd November 1875, for Repairs to Buildings in Upper Godavery.

10. The grant for Repairs could not be classified under the proper heads as required in G.O., No. 3,411, dated 30th November 1875, owing to the late date on which the order was issued; but District Engineers will clearly understand that their future Budgets will have to be prepared in strict conformity with the G.O. above quoted and G.O., No. 3,107 of 3rd November 1875.

11. Out of the estimate of Rupees 554 sanctioned in G.O., No. 7, dated 1st October 1875, for converting Royapettah Court into a residence for His Highness the Prince of Arcot, it is noted that Rupees 1,23,900† will be expended by the end of March 1876, less Rupees 51,300 to be provided for in 1876-77. This amount has accordingly been included in the Budget, as well as the usual provision of Rupees 5,000 for completion of the Vedarni canal in the Tanjore District, with reference to G.O., No. 679, dated 5th October 1874, Financial Department.

12. Of the total assignment of Rupees 14,00,000 made available for Provincial Public Works, a sum of Rupees 80,000 has been appropriated for Tools and Plant including Rupees 30,000 for increase of Capital of the Presidency Workshops, leaving Rupees 13,20,000 for "Works and Establishments" or Rupees 7,96,568 for Works and Rupees 5,23,432 for Establishments. The total cost of Public Works Establish-

ments for 1876-77 is set down at Rupees 21,76,981, to meet which allotments as follows have been made:—

	RS.
Irrigation	7,73,470
Imperial Buildings	1,91,000
Provincial	5,23,432
Special	46,039
Convict Labor Fund	8,000
Local	6,35,040
Total ...	21,76,981

13. A specific grant for Convict Labor Fund works has not yet been made by the Financial Department; but it is understood that a total sum of Rupees 40,000 will be available, and a proportionate share of this amount has been taken for Establishments.

14. In fulfilment of the promise to the Mysore Government in Proceedings of the 30th June 1873, No. 1,687, a moiety (Rupees 4,800) of the cost of the bridge over the ~~Honahully~~ ^{Banahully} stream has been provided. The Chief Commissioner will be requested to arrange for the utilization of the money.

15. A certain number of incomplete works have not been fully provided for in order that an adequate Reserve may be maintained, wherewith to meet demands for works under Rupees 2,500 that do not enter into the Budget, and for unforeseen demands. Allotments of Rupees 15,000 have been made for two important works of which the plans and estimates have not yet been submitted for the orders of Government; care will be taken by those concerned that the papers are brought forward in time to permit of these allotments being fully utilized.
