Proceedings of the Madras Government, Revenue Department,
14th August 1876.

No. 132. Read the following Proceedings of the Board of Revenue, dated 2nd August 1876, No. 1,959:—

Read the following letter from W. R. ROBERTSON, Esq., M.R.A.C., Superintendent of Government Farms, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 15th July 1876, No. 428.

THE estimates of expenditure for working the Agricultural College sanctioned in G.O., No. 1,683, dated the 24th of November 1875, includes no provision for paying the fees of the lecturer on Veterinary Surgery, the reason for the omission was that at the time it was understood that George Western, Esq., who then held the appointment of Inspector of Cattle-diseases, would, as a part of his duty, lecture in the Institution; but I now learn from the report printed with the Proceedings of the Board, No. 1,210, of the 9th of May 1876, that Mr. Western has ceased to hold the appointment just referred to, his services having been transferred to the Military Department; if therefore he is to lecture in the College as was originally proposed (and I think no better arrangement can be made), it will be necessary to add to the estimates a sum such as was provided for the lectures on Chemistry, Botany, and Zoology to pay his fees for lecturing on Veterinary Surgery.
