that there is a slight upward tendency
but the markets are still well supplied.
The most important food grains are
raggy and sugja. It will be noticed
that in the main division the prices are
not much higher than they were last
year. In the Sub-Division, however, they
are considerably higher. For these prices
(see principally to the report to Mysore)
the markets are well supplied.

Cuddapah Office of price
 at Madanapally
 29 April 1876

To the Secretary to the Board
 of Miscellaneous Proceedings, &c.

Revenue Department.

Miscellaneous No 3604

Proceedings of the Board of Revenue
 Dated 3rd May 1876.

Read Statement from the Collector
 of Cuddapah dated 29th ultimo, shewing the
 prices of food grains in the principal markets
 of the District for the week ending 23rd April
 1876.

Submitted for the information
 of Government.

2. There is a slight upward tendency in
 price as remarked by Mr. Gribble but it is
 very slight and as the markets are well
 supplied there does not appear to be any
 grounds for anxiety.
