PROCEEDINGS OF THE BOARD OF REVENUE, dated 2nd May 1876.

Read the following Proceedings of the Madras Government, dated 28th March 1876, No. 435, Revenue Department:—

ABSTRACT.—*Enfranchised Inam lands held by a Hindu widow in Ponnery Taluq, Chingleput District.*—Directing to call on the Collector to report what objection there can be to assessing certain — fully, and incorporating it with the Government Ayacut lands, leaving it at the same time in the undisturbed possession of the present holder subject to the condition of her paying the full assessment thereon, although the Inam may not be claimed as escheat for reasons stated; and also to explain the delay that has taken place in reporting the case to the Board. Requesting the Inam Commissioner to report why the Inam lands were registered partly in the name of the two widows and partly in that of Soobammall alone.

COMMUNICATED to the Collector of Chingleput, with a request that he will fully assess Soobammall's portion of the Inam. Her alienation of the Inam to her brother is void, and she has apparently left no heirs entitled to inherit the Inam. Should any appear hereafter within reasonable time their claims will of course be duly considered.

2. The Government remark that the Inam should be left in the possession of the present holder subject to the condition of "*her*" paying the full assessment thereon, but the Board observe that the present holder is the brother of the deceased and not her daughter-in-law. The Collector should not interfere with the possession of the land.

3. The delay in reporting the case should be explained.
