No. 178. Read the following Proceedings of the Board of Revenue, dated 4th July 1876, No. 1,705:—

Read the following papers:—

From C. T. LONGLEY, Esq., Collector of Salem, to C. A. GALTON, Esq.,
Acting Secretary to the Board of Revenue, dated 24th April 1876,
No. 94.

I HAVE the honor to request that you will be so good as to inform me what amount has been assigned to this district for advances to be made under the Land Improvement Act in 1876-77.

2. I shall also feel obliged by your informing me to what head such payments are to be debited in the Treasury Account.

From J. H. GARSTIN, Esq., Collector of South Arcot, to C. A. GALTON, Esq.,
Acting Secretary to the Board of Revenue, dated Tindevanum, 28th April 1876, No. 172.

THE sum of Rupees 2,000, placed at my disposal for the official year 1875-76*

* *Vide* G.O., No. 126, Revenue Department, for advances to be made under the dated 23rd January 1875. Land Improvement Act, not having been expended in that official year, the whole amount of the grant has lapsed.

2. Four applications for advances under the Act, aggregating Rupees 450, made to me last year, were pending inquiry before me during the past official year, and sufficient security having now been furnished, I have issued the necessary certificates to the applicants and directed payment of the amount to them at once, in anticipation of the Board's sanction, in consideration of the long time the parties had already had to wait and in order to encourage such applications as much as possible.

3. I have, therefore, the honor to request sanction for this payment and for an amount of Rupees 5,000 for similar purposes for the current year for this district.

From J. H. MASTER, Esq., Collector of Bellary, to C. A. GALTON, Esq.,
Acting Secretary to the Board of Revenue, dated 4th May 1876, No. 130.

By inadvertence the inclusion in the Budget Estimate for the year 1876-77 of Rupees 20,000, required for advances to be made under the Land Improvement Act, was omitted. I have the honor to request that, if possible, you will be good enough to obtain the Board's sanction for Rupees 20,000 to be placed at my disposal during the year for the above purpose.

SUBMITTED for orders of Government.

2. No provision has been made in the Budget of 1876-77 for the payment of advances under the Land Improvement Act, as it is not usual to make provision for advances, but only for outlay on account of final disbursements.

Proceedings of the Madras Government, Revenue Department
17th August 1876.

3. The Collectors of Bellary and Salem do not state what sum was expended in 1875-76, nor does the Collector of Bellary explain the necessity for such a large advance as Rupees 20,000. They will be requested to supply the omissions, and all other Collectors will submit a statement of the payments made in 1875-76 as required in G.O., dated 23rd January 1875, No. 126, communicated with Board's Proceedings, dated 13th February 1875, Miscellaneous No. 1,090, and report the amount required for 1876-77. Meanwhile, the Board recommend that all Collectors be authorized to advance up to the limit of Rupees 2,000 in each district under the provisions of the Act and the rules laid down by the Government of India.
