*Proceedings of the Madras Government, Revenue Department,
18th August 1876.*

No. 196. Read the following letter from Lieutenant Colonel R. H. BEDDOME, Conservator of Forests, to the Hon. D. F. CARMICHAEL, Secretary to Government, Revenue Department, Ootacamund, dated Tinopoly, 11th August 1873, No. 1,052:—

In forwarding the documents as per margin, it will be seen that one Syllaman Sahib, a fuel contractor, who has a lease of the Byempully Jachure forest, felled 200 bandy-loads of fuel in adjoining Government jungles. A Forest Maistry, Yakoob Khan, detected the case, and, with the sanction of the Collector, brought it before the Tripatore Taluq Magistrate; the Magistrate

considering it a boundary dispute dismissed the case, leaving the question of the boundary to be decided by the Revenue and Forest Departments, and warning Syllaman not to enter, or cut wood in, the disputed tract, pending the settlement of the boundary. Syllaman then brings a suit against the Forest Maistry in the Tripatore District Munsif's Court, the hearing of which is fixed for the 22nd of September next, and still continues his felling operations. I have the honor to request that you will obtain the sanction of Government for defending the suit.
