*Proceedings of the Madras Government, Revenue Department,  
21st August 1876.*

No. 207. Read the following Proceedings of the Board of Revenue, dated 9th August 1876, Miscellaneous No. 6,769:—

Read the following letter from H. B. GRIGG, Esq., Acting Under-Secretary to Government, Revenue Department, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Ootacamund, 29th July 1876.

I HAVE the honor to request that you will be good enough to obtain the permission of the Board to my having the Manual of the Nilgiri District printed at Ootacamund by Olleff and Co. Mr. Olleff is a skilled printer, and will, I am confident, turn out work equal any printers in Madras. He undertakes to do the work at Government rates. I shall be able, if the Board consent, to send the Chapters, as they are printed, for the approval of the Board to Madras.

THE Board observe that when the Manual of the Nellore District was being prepared Government\* objected to the printing being done by a private press.

\* G.O., 17th August 1872, No. 1,204.

Mr. Grigg's letter will accordingly be submitted for the orders of Government.

2. The advantage of printing the Manual at Ootacamund will last only so long as Mr. Grigg may remain there; in the event of his return to Madras there will be a corresponding disadvantage.

As Mr. Olleff's work is exceptionally good, and it is understood that the Government Press is very fully occupied at present, and there is no additional expence involved—the work may be done, as proposed by the Compiler, at Ootacamund.

To W. B. Crigg, Esq.

Sir,

Regarding the proposal that we should undertake the printing of the Manual of the Nilgiri District now being prepared, we would beg to say that we are in a position to turn out the work well in every respect. Our charge would be the same precisely as that of the Government Press, and we guarantee equal excellence in material and workmanship. We shall be glad, if we receive the Order, to submit our charges to the Superintendent of the Government Press, so that his scale may rule our bills.

We beg to remain  
Yours most obediently  
O. J. M.
