*Proceedings of the Madras Government, Revenue Department,
27th January 1876.*

No. 227. Read the following Proceedings of the Board of Revenue, dated 7th January 1876, Miscellaneous No. 74:—

Read the following letter from W. E. WRIGHT, Esq., Superintendent of Stamps, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Madras, 9th December 1875, No. 1,819.

ADVERTING to the Proceedings of the Board of Revenue, dated 2nd ultimo, Miscellaneous No. 9,864, I have the honor to inform you, with reference to paragraph 2 of the Government Order of 9th October, No. 1,475, that the quantity of 6-Anna Court Fees stamps shown in the margin is not required, as the supply from Bombay was equal to the amount in my Indent of the 18th March, recorded in the Board's Proceedings of the 19th April 1875, No. 3,133; and that the supply of 8-Anna Court Fees Adhesive stamps may be reduced from thirty lakhs to eighteen lakhs, being the difference between the quantity received from Bombay and that included in the same Indent.

2. No portion of the quantity shown against 8-Anna Special Adhesive stamps will be required, as the supply was only included to relieve Bombay of surplus stock.

3. As the stock of 3-Anna and 6-Anna Foreign Bill stamps in this office is getting very low, and neither of these values was received from Bombay, the quantity shown in the margin of second paragraph of Government Order before mentioned will be required. An Indent, in the usual form, will be submitted for this description of stamps.

SUBMITTED to Government with reference to G.O., dated 9th October 1875, No. 1,475.

Acting Sub-Secretary.

Stamps.

THE Board are referred to G.O., 16th January 1876, No. 28, from which they will see that the Government of India have already applied to the Secretary of State for the stamps specified in G.O., 9th October 1875, No. 1,475, being supplied. The Government consider it unnecessary to address the Government of India in view to the application being countermanded, as most probably the stamps will have left England before any communication on the subject reaches the Secretary of State.

2. The Foreign Bill stamps referred to in paragraph 3 of Mr. Wright's letter being among those expected from England, no Indent is required for the same.

Secretary to Government.

Dated 27th January 1876
No. 18

At the meeting of the Board of Revenue
held on the 27th January 1876
The quantity of stamps required
for consumption of the
Hill stamps mentioned in G.O. of 14th Oct/75
was decided to be 3 and 6 annas

mentioned in G.O. of 14th Oct/75

be cancelled; this Govt
 applied to Bombay for
 stamps according to a list
 furnished by the Capt of
 stamps at Mysore, and
 forwarded a copy of that list
 to the Govt of India, with an
 intimation that the duplicate
 hence submitted to Calcutta
 on the 9th April last was the
 only one presented, that
 it might be cancelled in
 whole or in part according
 as the stamps therein asked
 for could be supplied in whole
 or in part from Bombay.

G.O. 27. July/75 N. 1122

Thereupon, a supply of stamps
 arrived from Bombay, but
 it was in more particular short
 of the Mysore Superintendent's list,
 the Capt of stamps in Bombay
 having intimated that his
 stock

stock did not permit
 of his supplying more.
 In reporting,
 therefore, to the Govt of India
 the supply received from
 Bombay, the Govt specified,
 as shown below the particular
 items in which it was deficient
 as compared with the list of
 stamps proposed to be taken
 from the surplus stock
 of Bombay.

	Proposed to be taken from Stock	Actually received from Bombay
Govt. Res. Stamps	230,000	120,000
Stamps	6 Annas 3	
	8 - - - 42,00,000	120,000
Special Mysore Stamps		
8 Annas	15,000	
Foreign Bell Stamps		
3 Annas	15,000	
6 - -	11,000	

It is here to
 be observed, that on exam
 the list of stamps which
 the Mysore Superintendent
 proposed

proposed to take over
from Bombay reached
them, the Govt. of India
telegraphed to the Secretary
of State to stop the supply
of the Court Fee labels which
had been indicated for, for
Maurius, and the Secretary
of State with reply to say,
that the whole of the stamps
indicated for, with the exception
of the 12 Anna and 2 Rupee
values, had been printed,
and that they would be
retained pending the receipt
of a further communication
from the Govt. of India -

The report from Maurius,
regarding the supply received
from Bombay, having in
the meantime reached
them, the Govt. of India,

with reference to the
communication from the
Home for last mentioned,
② wrote and requested that
the stamps specified in
^{supra} para 2, might be supplied
to Maurius.

4 This being the
case, the Supt. of Maurius
now reports that of these
stamps, the 6 Anna Court
Fee stamps, and the 8
Anna special adhesive
stamps are not required,
and that the supply of
the 8 Anna Court Fee
stamps may be reduced
from 30 to 10 boxes -
The Wright adds,
with reference to the special
adhesive stamps that
he proposed to take them
over

one from Bombay only
to receive that Quantity
of its surplus stock, and
presumably the same
remark applies to the bank
the labels, which he now
says are not required, as they
constitute the difference
between the quantities indicated
in his previous account, and
those which he proposes to
receive from Bombay.

5. The letter of the
Gov^r of India to the Secretary
of State, asking for the trans-
mission to Madras of the
stamps specified in para
2 supra is dated 26th
Decr 1875, and as it is
probable they will have
left England before any
communication concerning
the

43
the application could
reach the Secretary of
State. Considering,
moreover, that the receipt
of those stamps from
England would only place
matters in the position
in which they would stand
if the whole supply which
the Gov^r of Madras proposed
to receive from Bombay
had arrived, it is not
admitted that no further
communication need be
made to the Gov^r of India
in consequence of this report
from Mr. Wright, as there is
some confusion ^{seems} in the reply
to answer.

6. Mr. Wright says
that his stock of 3 and
6 Anna Indian Hill stamps

is getting very low, and
that he will send an
indent in the usual
form for them. There
are among the stamps
of which the supply from
England has been asked
for by the govt of India
and is expected; a
separate indent must
therefore be required.

Orders are required
as to Comptroller being prepared
on the subject accordingly.
