No. 233. Read the following Proceedings of the Court of Wards, dated 15th August 1876, No. 2,076 :—

Read the following letter from H. W. BLISS, Esq., Acting Collector of Madura, to E. GIBSON, Esq., Acting Sub-Secretary to the Board of Revenue, dated Madura, 4th August 1876, No. 290.

I HAVE the honor to submit the statement called for in G.O., No. 1,447, dated 24th November 1874, communicated with the Board's Proceedings, Miscellaneous No. 8,401, dated 1st December 1874.

2. As I cannot tell what the result may be of the reference* made by me as to whether the peishcush of the Paliamputty and Pandalgudy sub-divisions is to be paid by the Zemindar or not, I have prepared two statements (A and B) of the time it will probably take to clear off the debt; the first (A) on the supposition that the estate will have to pay the peishcush on these sub-divisions, and the second (B) on the chance that it will not.

* *Vide* Acting Collector's letter, No. 21, dated 9th February 1876, recorded in the Proceedings of the Court of Wards, No. 518, dated 21st February 1876.

3. In the first case, I calculate the period required will be eight years; in the second, seven.

4. The reason of the difference between the estimated receipts and charges entered in the present statements and in the statement submitted with Mr. McQuhae's letter, No. 80, dated 25th June 1874, to the Court of Wards, and recorded, after slight alteration, in their Proceedings, No. 290, dated 11th February 1874, is, that further experience shows that Mr. Lee-Warner's calculations of the receipt were too sanguine, and that I have allowed for Faslis 1286 and 1287 a larger sum for the repair of irrigation works. The decrease in charges in Faslis 1288—1292 is under the head of law charges and certain other sundry items.

5. As I have made liberal provision for all the items under the head of charges and have besides allowed 20,000 Rupees a year to meet extraordinary charges, I have allowed for no great opening balance at the beginning of Faslis 1287—1293, all the available balance at the end of every fasli, after payment of interest, being devoted to the payment of the principal.

(a.) This is the actual balance on the 30th June 1876 which is greater than the anticipated balance at the end of Fasli 1285 entered in the Budget lately submitted owing to some of the charges expected to be defrayed in the last three months of Fasli 1285 not having been actually incurred during that period. Such charges will have to be incurred in Fasli 1286, and they are included in column 5 of this statement. Hence the difference between the figures shown in the Budget and this statement.

(b.) This interest is calculated on the 12 lakhs of Rupees from the 6th January 1876 to 5th January 1877, and on the remaining Rs. 72,830 from the 28th April 1876 (the date it was paid from the Collector's treasury with reference to the Proceedings of Government, No. 488, dated 7th April 1876) until 5th January 1877, so that in the ensuing Faslis interest has been conveniently calculated for both the amounts together.

No. 290

From H. S. Blair Esq
officiating Collector of Madura

To The officiating Secretary to the
Board of Revenue. Madras.

Sir,

I have the honor to submit the Statement called for in Government order No. 1447 dated 24th November 1874 Communicated with the Board's Proceedings, miscellaneous No. 8401 dated 1st December 1874.

2. As I cannot tell what the result may be of the reference made by me as to whether

Received for both the amounts forfeited.

the Peishench of the Palcaim-
=putty and Pandalgudi Sub
Division is to be paid by the
Zamindar or not, I have
prepared two statements (A & B)
of the time it will probably take
to clear off the debt, the first
(A) on the supposition that the
Estate will have to pay the
Peishcush on these subdivi-
=sions, and the second (B) on
the chance that it will not.

3. In the first case,
I calculate the period re-
=quired will be 8 years, in
the second 7.

4. The reason of the
difference between the esti-
=mated receipts and charges
in-

cluded in the present Estate-
=ments and in the Statement
submitted with the Collr's
letter No 80 dated 25th June 1894
to the Court of Wards and
recorded after slight alter-
=tion in this Proceedings No
290 dated 11th February 1894, is
that further experience shows
that Mr Lee Warner's cal-
=culations of the receipts are
too sanguine and that I have
allowed for Faslies 1286 and
1287 a larger sum for the repair
of Irrigation works. The de-
=crease in charges in Faslies
1288-92 is under the head
of Law charges and certain
other sundry items.

&c

5. As I have made liberal provision for all the items under the heads of charge and have besides allowed 20,000 Rupees a year to meet extraordinary charges, I have allowed for no great opening balance at the beginning of fasli. 1287-93, all the available balance at the end of every fasli, after payment of interest, being devoted to the payment of the principal.
