Proceedings of the Madras Government, Revenue Department,
23rd August 1876.

1153/1

No. 242. Read the following Proceedings of the Board of Revenue, dated 17th August 1876, No. 2,108 :—

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 15th August 1876, No. 305.

In Miscellaneous Proceedings, No. 6,608, dated the 4th instant, the Board were pleased, on my application, to request the Accountant-General to place the sum of Rupees 12,000, lately sanctioned by the Government for relief works, at the disposal of the Department Public Works.

2. So much delay has, however, occurred in obtaining cheques from the District Engineer that I am constrained to request that the Board will be good enough to recall their orders, and leave the money at my disposal.

3. Cheques asked for by me on the 7th ultimo have not been fully paid by the District Engineer yet, and the Deputy Collector of the Harpanhully Division reports that in consequence relief works which had been commenced have been obliged to be stopped.

4. This is tantalising to the laboring classes, and I wish to guard against it in future.

5. I find by the Proceedings of the Board, dated the 12th instant, upon my letter, No. 298, dated the 8th instant, that the Board hold that Collectors should not be fettered in the disposal of relief grants.

Communicated to the Accountant-General, with the request that the sum of Rupees 12,000 sanctioned in G.O., dated 24th July 1876, No. 1,000, to meet distress in Bellary, which the Board, in their Miscellaneous Proceedings, No. 6,608, dated 4th August 1876, desired should be placed at the disposal of the Department Public Works, may be transferred to the Collector with the least possible delay.

2. The Accountant-General will also be furnished with copy of Board's Proceedings, dated 12th instant, No. 2,055, suggesting that such special grants should not be treated as grants to particular Local Fund Circles, but should be held at the Collector's disposal, and applying for a further grant of Rupees 10,000. The Board's proposals having been sanctioned by telegram (copy enclosed), the Accountant-General is requested to place the additional grant applied for at the Collector's disposal.

3. The Examiner, Department Public Works Accounts, will be requested to treat the special grant to Bellary of Rupees 12,000 sanctioned in G.O., dated 21st December 1875, No. 1,833, in a similar manner, instead of following the course indicated in the Collector's letter communicated with Board's Proceedings, dated 9th June 1876, Miscellaneous No. 4,742.
