*Proceedings of the Madras Government, Revenue Department,
29th August 1876.*

No. 305. Read the following Proceedings of the Board of Revenue, dated 7th August 1876, No. 2,006:—

Read the following Proceedings of the Madras Government, dated 12th July 1876, No. 932, Revenue Department:—

ABSTRACT.—*System under which goods intended to be carried across the Nizam's Territory without breaking bulk are covered by passes from British officials.*—Communicating to the Board of Revenue letter from the Resident at Hyderabad forwarding translation of a letter from His Highness the Nizam's Minister regarding the —.

COMMUNICATED to the Collectors of the Godavery, Kistna, Bellary, and Kurnool Districts, who are requested to expedite their replies to Board's Proceedings, dated 15th July 1876, No. 1,822.

2. It is stated that instructions were issued in accordance with the suggestions made at paragraph 6 of the Board's Proceedings recorded in G.O., dated 5th January 1874, No. 4-A, but the nature of the orders issued is not stated. There appears to have been some misapprehension in the matter, as the Government did not see any necessity for moving in the matter of security, and consequently no orders on this point were issued to the Collectors concerned. Certain suggestions in regard to the passes were specially commended to the notice of the Resident, but the proposed arrangement in regard to security was not approved. It would appear, however, from the correspondence now communicated, that the Nizam's Government have nevertheless ordered deposit of security.

Customs.

* G.O., 14th January 1876, No. 56.

It is not clear from the correspondence that the Nizam's Government has introduced the system of taking securities from British traders on the frontier of its territories. If it has been introduced, it is, as already remarked,* altogether irregular. The Government desire to have full information before addressing the Resident finally on the subject. The Collectors will expedite the submission of the reports called for by the Board. Meanwhile the Resident will be informed that no modification of the rules in connection with the free-pass system has been sanctioned by Government, and he will be requested to state more definitely what the nature of the orders were which, it is reported, have been issued in accordance with paragraph 6 of the Board's Proceedings recorded in G.O., 5th January 1874, No. 4-A.
