TAMIL NADU ARCHIVES

GOVERNMENT OF TAMIL NADU

Revenue DEPARTMENT

G.O. No.	1230	Press
B.R. No.		Mis.
Dated	26-5-1876	197

Not to be folded or roughly handled

No. 107. Read the following letter from I.
District Engineer, Madura, to J.
Secretary to Government, Public
April 1876, No. 366:—

WITH reference to G.O., No. 1,977, under
1 Copy of the Madura Range Officer's letter,
No. 139, 16th April 1876.

was directed in this office endorsement, No.
as little delay as possible, an estimate containing
defects in, and complete satisfactorily the cor-
boo Keelacommoy.

2. It would appear from the accom-
16th instant, that he has inspected this work
detailed measurements for it from the Taluk
1875. After he had repeated reminder
1876, submitted an estimate of Rupees
was sanctioned by me for immediate execution,
him for an explanation of the great delay in
connection, to which he has submitted in

3. The tank is only situated at a distance
much time is lost in sending an estimate to
quarters, how can I expect him to do this in
manner, and it is this neglect on the part of
had to complain so much to you, that
attended to.

4. As Sub-Engineer Mooneappal
trust the Government will be pleased to
for immediate execution, and allow the
Works of this year.

Lieutenant-Colonel J. F. FISCHER, R.E.,
Major-General G. W. WALKER, R.E.,
Works Department, dated Madura, 27th

Under date the 12th July 1875, I have the
honor to report that in communicating
the above Government Order to the
Executive Engineer, Madura Range, he
1,600 of the 28th idem, to submit, with-
holding such provision as will rectify the
struction of, the calingulah to Poothoom-

g copy of his letter, No. 139, dated the
the 31st August 1875, and obtained
ceer of Madura on the 19th September
his office he has, on the 26th March
constructing a new calingulah which
I have at the same time called upon
he has allowed to occur in this
r above quoted.

of a few miles from Madura. If so
a work which is so near his head-
s of a whole range in a satisfactory
Executive Engineer of which I have
ose at hand are not even properly

as been ordered to be pensioned, I
y proceeding in ordering the work
hibited to the grant for Minor New

No. 108.

ORDER THEREON, 8th May 1876, No. 1,135.

IRRIGATION, No. 18.

Account.

THE estimate is sanctioned, and the
necessary outlay will be met from the
Minor New Works grant at the disposal of
the District Engineer.

2. The Government cannot but
consider the explanation of the Executive Engineer of the Madura Range, accounting
for the delay in furnishing an estimate for this work, as unsatisfactory. The terms of

Proceedings of the Madras Government, Public Works Department,
8th July 1876.

the Order of the 12th July 1875, No. 1,8 indicated that immediate steps were to be
taken for its completion.

3. This sanction has been registered Irrigation No. 27 I of 1876-77.
