No. 107. Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Madura, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madura, 27th April 1876, No. 306:—

With reference to G.O., No. 1,977, under 1 Copy of the Madura Range Officer's letter, No. 139, 16th April 1876.

was directed in this office endorsement, No. as little delay as possible, an estimate containing defects in, and complete satisfactorily the corboo Keelacommoy.

2. It would appear from the accompanying 16th instant, that he has inspected this work and detailed measurements for it from the Tahsildar 1875. After he had repeated reminder 1876, submitted an estimate of Rupees. This was sanctioned by me for immediate execution. I have asked him for an explanation of the great delay in connection, to which he has submitted in

3. The tank is only situated at a distance of much time is lost in sending an estimate to the quarters, how can I expect him to do it in a proper manner, and it is this neglect on the part of the Tahsildar that had to complain so much to you, that I have attended to.

4. As Sub-Engineer Mooneappal has been entrusted with the work, I trust the Government will be pleased to sanction the estimate for immediate execution, and allow the work to be done this year.

Under date the 12th July 1875, I have the honor to report that in communicating the above Government Order to the Executive Engineer, Madura Range, he has submitted an estimate of Rs. 1,600 of the 28th idem, to submit, with the necessary provision as will rectify the construction of, the calingulah to Poothoom-

g copy of his letter, No. 139, dated the 31st August 1875, and obtained sanction of Madura on the 19th September. In his office he has, on the 26th March 1876, sanctioned a new calingulah which I have at the same time called upon him to allow to occur in this work as above quoted.
