Memorandum
List of Relief Works rec.
- mitted by the Collector
of Salem, as called for.

I have the honor to state that I have already in my letter No: 40 of 22nd February last reported on the Agricultural prospects of the Taluqs, where the season has been most unfavorable. Since writing that report, rain has fallen in the Taluqs of Darampuri, Cocoor and Pripatna and there is every probability of a good fall of rain throughout the District within the next few days.
