*Proceedings of the Madras Government, Revenue Department,
28th January 1876.*

No. 247. Read the following Proceedings of the Board of Revenue, dated 8th January 1876, No. 48 :--

Read the following letter from R. J. MELVILLE, Esq., Acting Collector of the Chingleput District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Saidapet, 5th January 1876, No. 1.

REFERRING to Board's Miscellaneous Proceedings, No. 10,567, dated 25th November and the G.O. thereon, dated 4th December last, No. 2,558, I have the honor to state that as the term for which the services of the Special Deputy Collector were sanctioned expired on the 31st December last, I have directed C. Venkatesiah to assume charge of his permanent appointment as General Deputy Collector of this district according to G.O., dated 13th July 1875, No. 1,053.

2. I enclose two statements showing the amount of compensation work still remaining to be done : No. 1 shows the number of cases with the Deputy Collector in which the inquiries are incomplete ; No. 2 shows claims which will have to be disposed of hereafter. Applications have been received in all cases for lands required, except as regards the projected line of railway between Chingleput and Conjeveram.

3. The cases entered in the first statement Venkatesiah states that he will be able to complete in addition to his ordinary work. The settlement of compensation for the lands entered in the second statement will be much delayed, unless the services of a special officer be retained for the purpose. The Taluq and Huzar Offices will have their hands full during the next three or four months in getting through the annual settlement, and much delay will ensue if this work be thrown upon them. I would, therefore, propose that Mir Ansardin Sahib who has been acting for Venkatesiah be appointed Special Deputy Collector for the settlement of these claims. I make this proposal, as I know that Venkatesiah is anxious to take up the duties of his substantive appointment, having been engaged on compensation work for several years past, and Mir Ansardin has had experience in this sort of work in the South Arcot District.

SUBMITTED for favorable consideration of Government. The Board support the Collector's recommendation on the ground that unless a special officer be appointed the settlement of compensation will be indefinitely delayed.

Acting Secretary.

No. 248. ORDER THEREON, 28th January 1876, No. 123.

Miscellaneous

The Governor in Council is unable to sanction the retention of the Special Deputy Collector for Chingleput as proposed. He is one of the three officers whose services were secured to the end of 1875 under the sanction of the Government of India, for work connected with the transfer of lands required for the railways.

To Government of India, Financial Department, No. 1,079, dated 16th December 1874.

in progress. It was stated by the Board on the 25th November last that the Deputy Collector hoped to finish the work by the end of the year, "the few cases which may then remain being disposed of by the ordinary establishment." The work described in Statement No. 2 of the Collector's letter as remaining for disposal is mainly for taking up lands for the conservancy of tanks and for roads on account of which extraordinary assistance is not usually given. The 331 acres set down for the still unsanctioned railway line from Chingleput to Conjeveram are not required at present.

Question of further employment of a Special Officer - to take up lands required for the Northern Railway.

The sanction for this Officer, by the Govt of India, is to end of 75 only - but, a week after the close of the year, the Collector proposes to employ another Officer (the first Officer having reverted to his own proper app't) to finish the work described in Statement No 2.

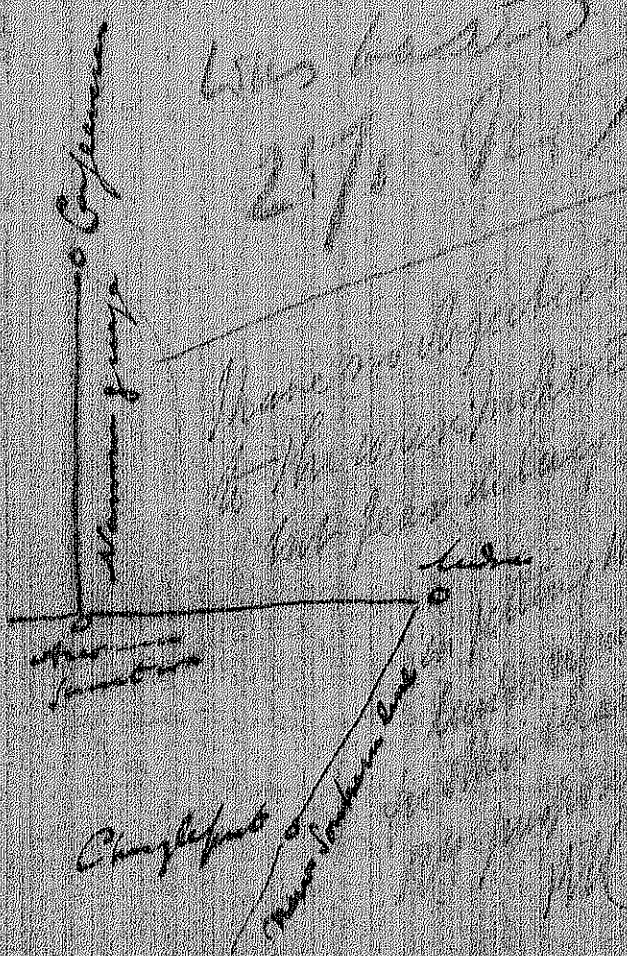

The members of Council are divided in opinion, as to which officer shall be employed.

The Collr is to be blamed for his want of foresight - we were assured lately (vide Bds No. 25th Nov. last) that everything will be finished by 3rd Decr. However, it appears that who have not seen the papers before, by an examⁿ of Statement No 2, that we have no case to go upon - We do not give special assistance for ordinary purposes - and the only lands named in connection with a railway are for the railway between Ching Lepont & the person which is not yet sanctioned by the Govt of India -
