Proceedings of the Board of Revenue

Dated 19th May 1876.

Read Proceedings of the Madras Government, Revenue Department, dated 16th May 1876, N^o 627, requesting attention of the Board to Govt Order 6th May 1876 N^o 582, recording Board's Proceedings on agricultural prospects of the season in Trichinopoly District and calling for early submission of reports on the subject due to Govt of India from certain Districts.

The Board observe that although the special report to the Government of India is required for four districts only the wording of Government Order dated 14th February 1876 N^o 207 calling for

for a "condensed statement of the
agricultural prospects in the several
Districts which have suffered from
failure of rain" led the Board
to think that reports were required
from all districts affected by the
unfavorable season. The Collectors
of Bellary, North Arcot and South
Arcot have been directed to expedite
their reports.
