Proceedings of the Board of Revenue
Dated 19th May 1876.

Read Proceedings of the Madras Government, Revenue Department, dated 16th May 1876, No 627, requesting attention of the Board to Govt Order 6th May 1876 No 582 recording Board's Proceedings on agricultural prospects of the season in Tinnevelly District and calling for early submission of reports on the subject due to Govt of India from certain Districts.

The Board observe that although the Special report to the Government of India is required for four districts only the wording of Government Order dd 14th February 1876 No 207 calling for

for a "condensed statement of the agricultural prospects for the several Districts which have suffered from failure of rain" led the Board to think that reports were required from all districts affected by the unfavorable season. The Collectors of Bellary, North Arcot and South Arcot have been directed to expedite their reports.
