*Proceedings of the Madras Government, Revenue Department,
31st January 1876.*

Read the following papers:—

No. 264. Proceedings of the Board of Revenue, dated 7th January 1876, Miscellaneous No. 70.

Read the following letter from J. J. L. RATTON, Esq., M.D., on Special Salt Duty, to C. A. GALTON, Esq., Acting Sub-Secretary to the Board of Revenue, dated Madras, 16th December 1875, No. 82.

I HAVE the honor to forward to you, for the consideration of the Board of Revenue, this my application for house-rent during such times as I may be present in Madras, on special duty.

2. All medical officers on duty in Madras receive, I believe, house-rent of at least Rs. 100. I have not hitherto applied for house-rent, as I found that I could live economically enough at the Club, but circumstances have altered, and I now find that I must, in justice to myself, make this application which, I trust, will meet with the approval of the Board.

3. My application for house-rent is from the 26th November, the date of my

SUBMITTED for the favorable consideration of Government.

2. The Board recommend that Dr. Ratton be allowed to draw Presidency house-rent whilst residing at the Presidency.

(Signed) C. A. GALTON,
Acting Sub-Secretary.

REFERRED to the Accountant-General for his remarks.

Secretary to Government.

No. 265. Memorandum from the Accountant-General, Madras, to the Secretary to Government, Revenue Department, dated Fort St. George, 26th January 1876, No. 638.

The undersigned has the honor to report that the grant of Presidency house-rent is, by G.O.O., No. 379, of 1867, restricted to those medical officers who hold appointments at the Presidency. Dr. Ratton's appointment does not seem to fall under the category of Presidency appointments.

(Signed) R. W. LODWICK,
Accountant-General.

*Proceedings of the Madras Government, Revenue Department,
31st January 1876.*

No. 266. Proceedings of the Board of Revenue, dated 7th January 1876, Miscellaneous No. 69.

Read the following letter from J. J. L. RATTON, Esq., M.D., on Special Salt Duty, to C. A. GALTON, Esq., Acting Sub-Secretary to the Board of Revenue dated Madras, 29th December 1875, No. 85.

Draw the honor to request that you will be good enough to lay before the Board of Revenue this my application for an increase of special allowance.

2. I have been for four years doing very exceptional work in the salt swamps of this Presidency, exposing myself in the hottest season of the year in a manner to insure the constitution of most men, and I can point with gratitude and satisfaction to the handsome way in which the Board and Government have acknowledged my services in their Proceedings.

3. If the Board will consider, on the one hand, the great and increasing value of the interest at stake, and, on the other hand, the ground that I am losing in my own profession and my diminished prospects therein, they will not, I am sure, looking to past services and what is expected from me in the future, object to doubling the special allowance of Rs. 150 monthly which I have hitherto drawn.

4. Submitting this application for the kind consideration of the Board, I have, &c.

Soliciting for the favorable consideration of Government.

The Board of Revenue has considered the request that it may be raised to Rs. 300 per mensem appears reasonable.

Acting Sub-Secretary.

The increase to the special allowance will be solicited from the Government of India, as justly merited, in the opinion of His Grace in Council, by Dr. Ratton for his arduous and useful labors.
