REVENUE DEPARTMENT,
FORT ST. GEORGE,
31st January 1876.

No. 268.

No. 132.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

DEPARTMENT OF REVENUE,
AGRICULTURE, AND COMMERCE.

Separate Revenue, No. 28.

Salt.

SIR,—I am directed by the Most Noble the Governor in Council to submit the Proceedings of the Board of Revenue, Nos. 32 and 85, of 7th January instant,

in which they support the application made by Dr. Rutton, on special duty in the Salt Department, for house-rent when he happens (which is very seldom the case) to be at the Presidency; and, secondly, for an increase to his allowances, now fixed at 150 Rs. a-month, in addition to his Regimental salary.

2. The Accountant-General having reported that the rules for Presidency house-rent cannot be extended to Dr. Rutton without making a special case, the Governor in Council is unwilling to support this part of the application; but he trusts the Government of India will agree with him that 500 Rs. a-month is not more than an adequate remuneration for Dr. Rutton's very laborious and useful services. His Grace would recommend the allowance being raised to this sum from the 1st instant. A reference to your letter, No. 74, of 10th September 1872, will show that the 150 Rs. a-month now drawn by Dr. Rutton is the allowance drawn by a Civil Surgeon when on ordinary district tour.

I have the honor to be,

Sir,

Your most obedient servant,

(Signed) D. C. CARMICHAEL,
Secretary to Government.

8. The local agent who reported that the
Order for Pass 3 (Lumber) had been
delivered to the National, without making
a special case, the G. C. is unwilling to
support that point of the application, but
he wants to get the Order with a special
case. The G. C. is unwilling to do that.
There have been several cases for
the National very recently, and they
have been very successful. The G. C. is
unwilling to support that point of the
application, but he wants to get the
Order with a special case. The G. C. is
unwilling to do that.
