Proceedings of the Madras Government, Revenue Department,
27th September 1876.

No. 311. Read the following Proceedings of the Board of Revenue, dated 9th September 1876, No. 2,301:—

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Chingleput, 8th August 1876, No. 449.

With reference to the Board's Proceedings, dated 10th June last, No. 1,527, I have the honor to forward a detailed Budget of the postal charges for the current year prepared in communication with the Postmaster-General, and to request that as the establishment has been entertained and paid for on the scale therein proposed from the commencement of the year, the same may be sanctioned at an early date.

2. I also forward a list showing the particulars of the thirty village receiving-houses in the Madurantacum Taluq provided for in the Budget, and in doing so to state, with reference to paragraph 2 of the Board's Proceedings, dated 16th March 1876, No. 751, that I have approved of the proposal to employ the heads of villages as Village Postmasters. As regards the Schoolmasters, I beg to observe they are not directly under either the Government or the Local Fund Board, but receive grants on the results system, and I do not see, as President of the Local Fund Boards, any objection to their undertaking this extra work.

Enclosure No. 1.

WITH the foregoing letter the Collector submits a revised scheme for the distribution of the District Postal Grant for the current year. The proposed establishment is to cost Rupees 263-8-0 a-month, or Rupees 3,162 a-year; and it appears that this establishment has been working since the commencement of the official year. Now although, with reference to Board's Proceedings, dated 15th September 1874, No. 2,617, an allotment of Rupees 3,168 was made in the Budget for 1876-77, the scale of establishment, as sanctioned by Government, is only Rupees 1,848, so that Rupees 109-8-0 a month are now being spent without authority. The Collector should have been careful to obtain sanction prior to allowing the increase. Government will now be requested to sanction the proposed scale with retrospective effect from the 1st April 1876.

2. It is not apparent from what source Mr. Barlow expects to effect the saving of Rupees 35 referred to in the foot-note to the enclosure to his letter. As shown above, the probable saving upon the allotment for the year will be only Rupees 6.
