*Proceedings of the Madras Government, Revenue Department,
28th September 1876.*

No. 343. Read the following Proceedings of the Board of Revenue, dated 20th September 1876, Miscellaneous No. 8,078 :—

Read the following letter from C. STRI BALIAH, Deputy Collector, General Duties, South Arcot, to J. H. GARSTIN, Esq., Collector of South Arcot, dated Trikalore, 28th August 1876, No. 643.

I AM glad to be able to report that no cases of cholera have occurred at Trinomalay since the 14th instant.

The enclosed statement compiled from the weekly reports submitted to you shows that the disease raged in the town from 1st July to 13th August 1876, and that out of 282 attacks 126, or 44 per cent., proved fatal. The result should have been much more favorable had several of the patients placed themselves under the treatment of the medical subordinates in earlier stages.

2. Credit is due to S. Israel Pillai, No. 744, in charge of the Police hospital at Trinomalay, and C. Cundasawmy Moodelliar, No. 873, specially sent up for cholera duty. They spared no pains in their power in affording relief to the cholera patients.

3. Cundasawmy Moodelliar has reported to me as being sick and unable to move, and as his services are no longer required I have permitted him to return to Madras.
