Proceedings of the Board of Revenue.

Dated 5th June 1846.

Read the following:-

No. 228

From.

The Ag. Collector of
Hudnool.

To.

The Secretary to the
Board of Revenue - Madras.

Sir

I have the honor to submit my
report on the state of the records for 1845-46.

2. The Records in my office,
have been examined and found to be
in a satisfactory condition and those
in the Taluq offices of Ramallota
and Nandikottur are reported by
the Tahsildars to be in good state.

3. The Records in the Head
Assistant's office are now being

arranged by the Sutra Gunastahs
recently appointed. In the Maska-
pur Taluq, the records have been
arranged, but in the Beembur Taluq
the Records are reported by the Head
Assistant Collector to be in great
confusion. That officer states that
sickness amongst the Taluq Gunas-
tahs renders it impossible to get
the Sutra work done by them, and
therefore recommends the employ-
ment of 2 Sutra Gunastahs, for
6 months for arranging the records.

I beg to support the recommendation.

4. The current records in the
Peapelly Deputy Collector's office

1379/2
are in good order, but a portion of the old
records have not yet been arranged. The
records in the Kolkunda Taluq office,
are reported to be in fair order, and those
in the Pattikunda Taluq office are
reported by the Deputy Collector not
to be ^{as} properly arranged as they should
be, owing chiefly to insufficient
space in the Record rooms,

5. The records in the Sandial Dy
Collector's office, are generally in
good condition. In the Mundial and
Sirail Taluq offices, the Revenue
records have been properly arranged
but no progress has been made
in the arrangement of the

Magisterial Records.
