*Proceedings of the Madras Government, Revenue Department,
29th September 1876.*

No. 366. Read the following Proceedings of the Board of Revenue, dated 21st September 1876, No. 2,400 :—

With reference to his report, dated 30th August last, No. 391, the Board request the Acting Collector of Kurnool to expedite his report on the condition of the Markapur Taluq therein promised.

2. The Board have received information that there has been an alarming increase of crime in other parts of the district, especially of robberies of grain and cattle and sheep by gangs of men. This is a class of crime which indicates the prevalence of distress and want of employment among the laboring classes, and the Board desire to be furnished with a report on the subject.

3. If the Acting Collector sees any reason to believe that there is ground for the Board's fears he should at once proceed to organise relief works, which will provide the laboring classes with the means of obtaining food, and should apply for a special grant of funds if the Local Funds of the district are insufficient.
