drawn to the omission in sending your Board a copy of the return for 1875.

2. Referring to para 2, I beg to state that an annual return of shipping is sent to the Registrar General in London at the close of each Calender year: and that as soon as a new vessel is registered the accompanying form is filled in and forwarded to the same authority. As said above, the Registrars of shipping at Cuddalore and Cochin have already been directed to furnish the Revenue Board with copies of the above returns, but as now desired, instructions will be issued to furnish quarterly copies of such as relate to new vessels registered.

Registrar of Shipping Madras

A copy of the return received with the above letter will be forwarded to Government in continuation of Board's Proceedings dated 17 May 1876. No 4066.

2 The Registrar of Shipping at Madras, appears to have directed the several Registrars at out ports to send their annual and quarterly statements direct to the Board but the Board consider it desirable that they should be received through him after examination in his office and the Registrar will be requested to arrange accordingly.

3. The Registrar of Shipping Madras, is further requested to send as soon as practicable copies of the Registers sent to the

the Registrar General in London
from the several ports in the form
appended to the Letter read
above, in the years 1874-75 and
