I, the Undersigned, hereby Certify that Mr Brooke Cunliffe Leggatt, Madras Uncovenanted Civil Service, who has been under my medical guidance for the last 3 months on account of Structural Kidney affection is now greatly improved, but as even two weeks further stay in this Country would be of great curative importance, I strongly recommend that extension of leave be granted to him.

Sir,

In reply to your letter of yesterday's date, I beg respectfully to state, that the cause of my having failed to submit my application for an extension of leave, earlier than I did, was my ignorance of the Rules on the subject.

I had intended returning to India without any further application for leave, but on my return to London, I had

a

a relapse of my illness, and my Medical Adviser, strongly urged me to obtain a short extension. Under these circumstances, I most respectfully beg a favorable consideration of my application of the 15th Inst.
