PROCEEDINGS OF THE BOARD OF REVENUE, dated 7th June 1876.

Read the following letter from A. J. STUART, Esq., Acting Collector of Tinnevely, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Trichendur, 17th May 1876, No. 322 :—

I HAVE the honor to submit my report on the salt roads of the district for 1875-76.

The amount originally sanctioned for the construction, repair, and upkeep of the several roads was Rupees 1,580. A sum of Rupees 290-8-1 was transferred from Items Nos. 237, 238, 323, 416, and 417 for the repair of the road from Tuticorin to Levingepuram as sanctioned by the Board in their Proceedings, No. 3,270, dated 21st April 1876—

Levingepuram Road.—The road was damaged by rain in November last, and a bridge on it was injured by the supplying channel of the pans overflowing its banks consequent upon a high tide. To repair this a sum larger than usual was required. It is now in good order.

Sevandakulam Road.—A portion of this road to the length of 488 yards was newly constructed and is ready for opening, but it will not be of much use until the whole length from Levingepuram to Sevandakulam is completed and a bridge constructed over the irrigating channel of the latter pans. Estimates from these works will be submitted.

Arasadi Road.—A portion of this road was repaired from Local Fund, and a further sum of Rupees 300 has been given by the Local Fund Board for this year, which is sufficient to keep the whole length of the road in repair.

Koilpatam Road.—This road requires metalling, and provision will be made in the next budget.

The other sections to the pans at Tuticorin, Vypar, and Kuttanguli are in fair order.

SUBMITTED to Government with reference to G.O., dated 2nd October 1865, No. 2,379, Revenue Department.
