*Proceedings of the Madras Government, Financial Department,
5th June 1876. No. 1019.*

Contingent Bills.

No. 32. Read the following letter from E. RULE, Esq., Officiating Accountant-General, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Fort St. George, 31st March 1876, No. 861:—

Audit Department.

With a view to expedite the adjustment of contingent expenditure, which is now unduly delayed by reason of officers who incur contingent charges not submitting their detailed bills for the countersignature of the controlling officers immediately after the expiry of the month as required by the rules, I have the honor to request that I may be authorized to instruct Treasury Officers not to pay any contingent abstracts or contingent bills subsequent to the 10th of the month, unless to the first abstract or bill presented for payment after that date a certificate is attached to the effect that the detailed contingent bill for the preceding month has been forwarded with all necessary vouchers to the controlling officer of the department. Heads of offices will at the same time be informed that no contingent bill or abstract will be paid in the treasury after the 10th of the month without the above certificate.

No. 33. ORDER THEREON, 5th June 1876, No. 1019.

The proposed arrangement is sanctioned.
