Sir,

I have the honor, at the request of the District Engineer, who says he has funds available from the lump grant in the current year's Budget for Provincial Minor New Works to forward for sanction an estimate for the expenditure of Rs 300, in the construction of a compound wall to the Deputy Collector's Kachari at Vinnikonda.

2. The estimate was kept back by

by me in February 1875, because,
 Government Order, 29th January 1875 No. 22
 in which it was ordered that funds
 were not to be spent on works unless
 absolutely needed.

3. The work is necessary to secure

 which, unless it is enclosed, will
 continue to be the place of shelter
