forwarded from this office to the Collector
on the 30th November 1874,* a reference

was made to that officer on the subject, on the receipt of the above Government Order.
The Collector in his reply, dated the 10th instant, has returned the plans and estimate
countersigned in token of his approval, with a request that they may be submitted for the
sanction of Government. I have the honor, therefore, to submit herewith the plans and
estimate in question, and to solicit early sanction for the same, to admit of the work
being commenced during the present working season.
