Government Payments.

No. 103. Read the following Resolution of the Government of India in the Financial Department, dated Simla, 31st May 1876, No. 249 :—

The Governor-General in Council is pleased to resolve that, in the absence of specific orders to the contrary, whenever any sum due to the Government in sterling money is tendered or recovered in Government Rupees, the amount to be accepted in British Indian Currency shall be calculated at the rate of exchange fixed for the adjustment of financial transactions between the Indian Government and Her Majesty's Imperial Government at the time the demand for payment is made. It will always, however, be at the option of the debtor to discharge his obligations by a bill payable on demand drawn up on London by any well-known Bank or Firm.

Ordered that this resolution be distributed for information and guidance as follows :—

To the several Departments of the Government of India.
To the several Local Governments and Administrations.
To the Comptroller-General with a request that in paragraph 25 of his circular No. 149 of June 1873 the words "current at date of advance" may be altered to "current at date of arrival in India;" and to the several Accountants-General and Deputy Accountants-General in independent charge.
To the several Chiefs of Departments administered by the Government of India in the Financial Department.
