Sir.

With reference to Government Order,
No. 433, dated 28th March last, commu-
-nicated in Board's Proceedings, dated
5th April last Miscellaneous No. 2873,
I have the honor to report as follows:-

2. Subaya Chetty complained in 1872
that he was improperly charged with
assessment for more land than was
entered in his Pattah, or was in his
occupation. Upon this the land
said to have been cultivated

by him and in respect of which
the charge was imposed was mea-
sured and it was found that
it did not exceed his holding
and that the excess of Rs. 1-8-
charged against him for Husies
1280 and 1281, had in reality no
existence. This was accordingly
ordered to be deducted for the suc-
ceeding Husies and the Assistant
Collector in charge of the Taluk
also directed that Rs. 9-11-3 being
the assessment erroneously brought
to account in respect of the sur-
posed excess should not be
levied but should be entered

1496/2
in the accounts as irrecoverable
and be recommended to be written off.
3. In the meantime, a change
occurred in the personnel of village
officers - the former Kudnam and
Munegar having been superseded
by new officers. The latter were ig-
norant of the previous orders, and
consequently the assessment
improperly charged was recovered
from Subaya Chetty with in-
terest and costs aggregating
Rs. 10-3-3.

4. Subaya Chetty again complained of
this and the above sum was recom-
mended to be refunded.
