*Proceedings of the Madras Government, Revenue Department,
18th October 1876*

No. 217. Read the following Proceedings of the Board of Revenue, dated 5th October 1876, No. 2,516:—

Read the following letter from J. HOPE, Esq., Acting Collector of the Godavery District, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Cocanada, 6th September 1876, No. 281.

I HAVE the honor to forward herewith for order a letter from the Chief of Yanam, dated the 18th ultimo, asking me if there is any objection on our part to his establishing and tolling a ferry between the French and the British territories. I am not aware of any objection, but I think it advisable to obtain the Board's instructions before I reply to the Chief's letter.

2. If the French establish a ferry on their side and toll it, I think it will be necessary for us to do the same, as is the case in Bellary on the Tungabudra between the Nizam's and the British territories.

*Vide Board's Proceedings, 18th June 1874,
No. 1,490.*

3. There is nothing in the Treaty of 1815 to allow or disallow the French to toll ferries.

ENCLOSURE No. 1.—Letter from *Chef de Service*.

THE Board do not think that the British authorities have any right to object to the Chief of Yanam establishing a ferry at the frontier and levying tolls on persons and goods entering and leaving French territory. Of course the right of a British boat at the place equally attaches to the British Government; but the Board do not think it advisable at present to assert the right. It is noted that the mails and British Officers are to pass the French ferry free.

2. The Collector's letter will be submitted for the information of Government.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 18th June 1874.

Read the following letter from H. SEWELL, Esq., Acting Collector of Bellary, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Ramandrug, 16th May 1874, No. 143:—

WITH reference to paragraph 8 of the Proceedings of the Board of Revenue, No. 654, dated 23rd March last, I have the honour to report that all the ghauts of the Tungabudra river ferries are established by the Contractors of this district this side of the river, and by those of the Nizam's and Dharwar country on the opposite side. When passengers cross the river on the boats from this district, they pay the fare at the fixed rates to the Contractors or their servants here; the people who come from the other side of the river into this district on boats established by the Nizam's and Dharwar Contractors pay the toll to the Contractors of those districts. The boats of either side generally go back empty. But whenever people are carried away to the other side of the river on the boats thus going back on the mutual consent of the Contractors or their men, the fees are levied by the Contractors of that side from which the people cross.

COMMUNICATED to the Collector of the Godavery District.
