*Proceedings of the Madras Government, Revenue Department,
24th October 1876.*

No. 242. Read the following Proceedings of the Board of Revenue, dated 14th October 1876, No. 2,581 :—

Read the following letter from J. R. DANIEL, Esq., Collector of Cuddapah, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 13th October 1876, No. 256.

I HAVE the honor to inform you that the services of Mr. Swan are still required by the Sub-Collector; the rain has not been sufficient in quantity or extent to do away with the necessity of relief works.

2. Mr. Swan's services were placed at the Sub-Collector's disposal by the Inspector-General, and he joined his new duties on the 11th. Mr. Gribble now writes to request that Mr. Swan may be gazetted as a Special Deputy Collector, and be invested with magisterial powers.

3. As an Inspector, Mr. Swan would really be subordinate to the Tahsildars, but if he is to render proper assistance to Mr. Gribble, he must issue orders to the various Tahsildars with reference to the works to be carried on, and therefore it would be well if he be gazetted as Mr. Gribble suggests. In regard to magisterial powers Mr. Gribble writes: "If the Government would also be pleased to confer upon Mr. Swan magisterial powers, it would be a great assistance to me, as crime is on the increase, and I and my Sub-Magistrates are very hard-worked. Mr. Swan has passed the examination for Assistant Superintendent, and is therefore qualified. He has been for six years in the Police, and has therefore experience, and he speaks Telugu fluently; I consider him well fitted to exercise magisterial powers." I therefore recommend that he be invested with 2nd-class powers.

SUBMITTED to Government with reference to G.O., dated 6th October 1876, No. 1,437.

2. The Inspector-General of Police has subsequent to the receipt of the order quoted, again informed the Board that Mr. Swan can be spared, and his services are much needed. With reference to the application that he should be gazetted as a Deputy Collector and invested with magisterial powers, the Board observe that Mr. Thornhill in a demi-official letter has stated that he does not think the appointment as yet necessary, but if distress unfortunately continues the Board will be prepared to support the Collector's application.

No. 243. ORDER THEREON, 24th October 1876, No. 1,513.

Miscellaneous.

It is observed that Mr. Thornhill recommends that Mr. Swan shall be employed on relief works, on a salary of Rs. 215 and Rs. 5 a-day travelling allowance—payable out of Relief Funds. This is sanctioned accordingly from date of Mr. Swan's being so engaged.

*Proceedings of the Madras Government, Revenue Department,
24th October 1876.*

2. The Government do not deem it necessary at present to gazette Mr. Swan to act as a Deputy Collector and Magistrate, but he will be temporarily invested with first-class magisterial powers.
