Public Department.

PROCEEDINGS of the MADRAS GOVERNMENT.

READ the following letter from the Commissioner
of the Nilgiris,
to the Chief Secretary to Government, dated 28th April 1876 No 28

With reference to your official
Memo. No. 675 of 21st instant requesting
to be informed whether the original
full size Map of Quekterlong's Sur-
vey of the Nilgiri Hills is in my
office, and if not whether I know
where it is, I have the honor to
state that the Map referred to is not
in my office. I find however among
the records sent to this office by
the Collector of Coimbatore a reduced
Map of Captain Quekterlong's Survey
on the scale of 2000 feet to an inch,
lithographed in 1870. I cannot say
with any degree of certainty where
the original may be, but the Chief
Engineer's office is a likely place.

Order thereon. J. Colacannan.
27th June 1876 No 695.

The reduced copy of the Map should be
displayed in the Commissioner's office,
and not hidden in the record room.

(True extract)

Michael
