*Proceedings of the Madras Government, Revenue Department,
31st October 1876.*

No. 281. Read the following Proceedings of the Board of Revenue, dated 27th October 1876, No. 2,684:—

Read the following letter from W. S. FOSTER, Esq., Acting Collector of Kurnool, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 24th October 1876, No. 478.

I HAVE the honor to inform you that the supply of cholam in this district is said to be exhausted. At all events it is very difficult to get even the smallest quantities. The price has risen to one Rupee for six measures (nearly the price of rice), five measures of which can be got for the same sum. The Superintendent of the jail writes that he has cholam for only twelve days, and no prospect of getting more from any quarter. Hitherto I have paid the famine coolies at Kurnool in cholam, but two days ago I had to begin paying in rice. The rice has been got from Madras by means of a merchant in this town. I am not certain, however, whether he will be able to continue to provide it for any length of time, and I should, therefore, like to know whether the Board will be willing to take steps to furnish me with what I may require. The people here are thinking of holding a meeting on the day after to-morrow to raise subscriptions for the poor people who cannot work. I cannot say on the whole that I like the proposal, as it will be difficult to keep out people who can work, and I do not wish that the Government should spend any money on gratuitous charity except in most urgent cases.

to supply grain from Madras. There is no objection to the Collector's purchasing supplies of grain as far as he can locally. If it is necessary to pay in grain, and he cannot get cholam, he should procure rice.
