*Proceedings of the Madras Government, Revenue Department,
5th February 1876.*

No. 43. Read the following Proceedings of the Board of Revenue, dated 12th January 1876, No. 76 :—

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Chittoor, 1st December 1875, No. 650.

With reference to G.O., dated 20th August last, No. 1,256, communicated in Board's Miscellaneous Proceedings of the 6th September last, No. 3,059, I have the honor to report that prior to fasli 1276 the lands in question in the village of Pandramanspalli, in the Chittoor Taluq, were entered in the accounts as double crop nunjah according to pynaish; but in that fasli it appears the Carnam altered them into single crop nunjah. For the omission to have then and there detected the fraud in question, the then chief taluq officials who are now no more in Government service are responsible, and no complaint of any kind seems to have been since received in the matter until now. Hence, there was no occasion to refer to the old accounts till the fraud was recently brought to notice.

2. The original amount of the ready-money allowance to the pagoda in question was Rs. 186-1-9, and lands to the value of Rs. 204-11-5 (including 10 per cent. allowance for the trouble of collection) were selected in fasli 1273 by the then Dharmakarta who is since dead; but they were not actually made over to the pagoda until fasli 1280, when the present trustee at once complained of the fraud committed by the Carnam, and an inquiry into the case was immediately set on foot.

3. As regards the supposed irregularities in the system of keeping accounts in the district and of checking them observed by the Government, I have the honor to state that whatever may have been the practice in former years I am aware that for the past few years the village and taluq accounts are, as a rule, carefully examined annually at the time of the settlement, and the system of check is improving year after year.

Submitted to Government with reference to G.O., dated 20th August 1875, No. 1,256.
